TRANSMITTAL FOR ISSUE FEE PAYMENT - - PREVIOUSLY PAID ISSUE FEE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This is filed in Response to the Notice of Allowance and Fee(s) Due of August 3, 2007. A copy is transmitted herewith. The Applicant is unclear on the amount of fees now due for issuance of Applicant's patent. The Notice of August 3rd appears to indicate that a \$700.00 Issue Fee is due, the previously paid Issue Fee of \$700.00 is acknowledged, the total fees (apparently now) due is \$700.00 and that new Issue Fee amount is due on or before **November 5, 2007**.

Applicant's review of the most recent fee changes appears to indicate that the correct amount for issuance of this patent changed on September 30, 2007 and so the utility Issue Fee for a small entity is now \$720.00. Please note that the Applicant maintains small entity status.

Accordingly, by Applicant's calculation and Issue Fee of \$700.00 was paid along with Applicant's Transmittal of December 28th (copy enclosed) and the fee is now properly \$720.00. Accordingly, Applicant's counsel has enclosed a check for \$20.00.

In the event that Applicant's interpretation of the law in the events this file history are in doubt, the USPTO is authorized to charge any additional amounts required to Deposit Account No. 10-1213, and it is respectfully requested that the undersigned be contacted to confirm that such a charge has been made to Applicant's counsel's deposit account. A duplicate of this is enclosed.

Please don't hesitate to contact the undersigned in the event that minor formal matters remain unresolved.

Respectfully Submitted,

JONES, TULLAR & COOPER, P.C.
